B.J. Long

"a wonderful person and a great hygienist"

Barbara Jo Long graduated from North Mesquite High School in 1976 and Caruth School of Dental Hygiene in 1980. Her family currently resides in Mesquite. She worked for Dr. Eugene Allen in downtown Dallas for a number of years. B. J. was a long-time Treasurer of DDHS and served on Annual Session Council for TDHA.

B. J. received a special recognition from Governor Mark White for her service in taking panoramic radiographs on U.S. Army Reservists, prior to their departure overseas. She greatly loved her dogs (Dalmatians) and her family, and was loved and respected by all who knew her.

B. J. Long was an active DDHS member and the scholarship granted in her name is a fitting legacy for someone who dedicated so much time and energy to DDHS. This scholarship has become a tribute to B. J. and also serves as the appropriate memorial to recognize the passing of our beloved society members.

The Award

The B. J. Long Scholarship will once again be awarded to an outstanding senior dental hygiene student during the Dallas Dental Hygienists' Society Student Night meeting, scheduled for February 2006.

Members of Dallas Dental Hygienists' Society primarily support the scholarship. This year we are creating the *Community of Care* to honor individuals who give so much of themselves on a professional, personal, spiritual and /or volunteer level. You can make a difference by paying a special tribute to a special person while giving to the B. J. Long Memorial Scholarship. The *Community of Care* honors someone who is extraordinary to you, and your financial contribution provides for the award to honor an outstanding senior dental hygiene student.

Donors and their honorees will be recognized in the DDHS newsletter, *The Oral Examiner* and on the DDHS website. A gift of \$25.00 entitles the donor and honoree to be recognized for one year on the DDHS website. Your gift may be renewed at the conclusion of that year. Since this scholarship is based on donations alone, a contribution in any amount is extremely important. Recognition of donors and honorees is a special way to pay tribute to a mentor, colleague, co-worker, friend, family member or loved one.
